- Freely tick the commercial communication opt-in boxes offered: AS Monaco (newsletter, commercial offers), Mizuno (newsletter, commercial offers), APM Monaco (newsletter, commercial offers);

Opting in is entirely optional and has no impact on participation in the Contest or on the chances of winning. Participants who tick a partner's opt-in box will have their data shared with that partner under the conditions described in Article 9.

Incomplete or fraudulent entries, or entries made using disposable (temporary) email addresses, will not be taken into account. Entries by post are excluded.

ARTICLE 5 – HOW THE CONTEST WORKS

5.1 – How the wheel works

The Contest is based on an “instant win” style virtual wheel. For each eligible entry, the wheel is spun and immediately reveals the prize awarded to the participant.

5.2 – Nature of the Contest: 100% winning

Every entry results in a prize being awarded. The Contest is described as 100% winning: no entry can result in a “losing” outcome. The guaranteed minimum prize is an exclusive AS Monaco wallpaper (digital prize, available for immediate download).

5.3 – Awarding of physical prizes

Physical prizes (described in Article 6) are pre-programmed by the Organizer to be awarded from specific dates and times set in advance. The order of awarding is determined by the timestamp of entry: the first eligible participant to play after a prize is unlocked wins that prize.

A participant may win only one physical prize during the entire Contest period. Any later entry by a winner of a physical prize will automatically result in a wallpaper being awarded.

5.4 – Multiple entries

The same participant may play multiple times during the Contest period. Only the first winning entry for a physical prize is counted per participant. Subsequent entries will only generate digital wallpapers.

ARTICLE 6 – PRIZES

The prizes offered throughout the contest are as follows:

7.2 – Physical prizes

Physical prizes will be shipped to the postal address provided by the winner. Shipping costs are covered by the Organizer.

Delivery is only guaranteed within the geographic areas served by the Organizer's partner carriers. Any address not covered by these delivery services will be considered ineligible to receive a physical prize.

If a winner does not respond to the contact email within 7 calendar days of it being sent, or is unable to take possession of their prize for any reason, they will forfeit all rights to that prize, which will remain the property of the Organizer, with no compensation.

For VIP tickets, the exact arrangements for their use will be communicated directly by the Organizer based on the date of the relevant match. Travel and accommodation costs related to the use of VIP tickets are the sole responsibility of the winner and will not be covered by the Organizer.

ARTICLE 8 – LIABILITY

The Organizer cannot be held liable in the event of:

- Technical failure of the internet network, servers, or third-party platforms;
- Interruption, delay, or failure affecting the proper receipt of entry data;

Participation implies knowledge and acceptance of the characteristics and limitations of the internet. The Organizer reserves the right to modify, extend, shorten, or cancel the Contest in the event of force majeure or circumstances beyond its control, without participants being entitled to claim any compensation.

ARTICLE 9 – PERSONAL DATA

The personal data collected (email address, date of birth, postal code) is processed by AS Monaco FC, as data controller, for the following purposes:

In accordance with Regulation (EU) 2016/679 (GDPR), for participants residing in the European Economic Area, and with applicable local laws in non-EU countries, participants have the right to access, rectify, erase, port, and object to the processing of their data.

The data of participants who have ticked a partner's opt-in box (Mizuno and/or APM Monaco) will be shared with the relevant partner(s) at the end of the Contest, exclusively for commercial communication purposes. Each partner then acts as an independent data controller for the use of this data.

ARTICLE 10 – COMPLIANCE AND FRAUD

Any entry made using automated systems, bots, scripts, or any other technical means circumventing the Contest rules will result in the immediate and permanent disqualification of the participant, without prejudice to any legal action the Organizer may take.

The Organizer reserves the right to carry out any verification it deems useful regarding the identity of participants and the legitimacy of entries, particularly for winners of physical prizes.

ARTICLE 11 – INTELLECTUAL PROPERTY

All elements making up the Contest (visuals, animations, interface, Contest name, wallpapers) are the exclusive property of AS Monaco FC or are used under granted rights. Any unauthorized reproduction, representation, or use is strictly prohibited.

ARTICLE 12 – GOVERNING LAW AND DISPUTES
